On 17 September [REDACTED] Executive Officer, Office of Security, telephoned me to advise me that the Office of Security had found it necessary to select [REDACTED] for an overseas assignment and that this assignment would require him to depart the United States within the next several months so that [REDACTED] would not be available to be a student at the Armed Forces Staff College beginning February, 1959. The DD/S approved withdrawing [REDACTED] as a nominee and substituting in his place [REDACTED] the next in line as determined by the tallies recorded on 18 August 1958 at the meeting of the Administration Career Board which selected DD/S nominees.
